GUIDED CAMPAIGN SETUP

What you get

Location targeting

Select screens by city, venue type, audience context, and campaign objective.

Focused creatives

Run brand messages, offers, polls, and voucher-led engagement with concise 10 second content.

Campaign control

Upload creatives, set schedules, manage approvals, and review delivery from one place.

Transparent reporting

Track playback, reach indicators, engagement, and screen-level campaign activity.

How it works

- 01** Tell us about your brand and campaign goal.
- 02** Choose locations, screens, schedule, and creative duration.
- 03** Submit creatives for approval.
- 04** Launch and monitor campaign delivery.
