What you get

Partner-owned assets Each accepted screen remains the asset partner's identifiable property during the agreement term.	Fixed monthly rental The exact rental and payment schedule are documented before deployment and do not fluctuate with campaign performance.
Managed operations Advertize coordinates approved placement, monitoring, advertising operations, and agreed maintenance.	Clear commercial terms Ownership, lease period, responsibilities, insurance, replacement, payment, and exit terms are documented.

How it works

- 01** Submit the number and specifications of available screens.
- 02** Complete ownership, condition, and eligibility review.
- 03** Review and sign the commercial asset-use agreement.
- 04** Deploy accepted screens and receive rental according to the agreement.
