

HOST A SCREEN

Turn your business location into an Advertize host site

Approved locations receive a managed digital screen, installation, maintenance, customer analytics, monthly ad credit, and a fixed monthly hosting fee documented in the agreement.

Rs 0 SCREEN SETUP COST	Rs 3,000 MONTHLY AD CREDIT	48 hrs SERVICE RESPONSE TARGET
----------------------------------	--------------------------------------	--

What you get

Managed screen setup Advertize coordinates screen installation, monitoring, advertising operations, and agreed maintenance.	Fixed hosting terms Location, footfall, business category, and placement are reviewed before a fixed monthly fee is confirmed.
Promote your business Use the included monthly ad credit to showcase offers and announcements on your hosted screen.	Brand-safe advertising Hosts can identify categories that do not fit their customers or business environment.

How it works

- 01** Submit your business and location details.
- 02** Complete the location and footfall review.
- 03** Review and sign the hosting agreement.
- 04** Schedule installation and go live.

Ready to host a screen? Submit your location at advertize.com/host
